# MARCH NEWS

## LIEUT. HEITZ

2nd. Lieut. William S. Heitz, CA Res., reported to duty as Mess Officer for Company 4792.

Through this medium we wish to welcome the Lieut. and hope that he will enjoy and be happy with his work here.

## CHAPLAIN CURTIS

Chaplain R.E. Curtis conducted a "camp-sing" and gave a farewell talk to members of the company on Monday, March 13th.

## TO LEAVE

The following named enrollees will entrain Monday, March 20th., for North Dakota: L. Penka, R. Reniker, N. Bingert, W. Lect, L. Knutson, B. Hahn, O. Podoll, M. Quamme and A. Ulland.

Some of these men have been with the company for a long time and it is with regret, but with the best wishes for success and happiness that we see them go.

## BRIGADIER GENERAL CUBBINSON

Brigadier General Cubbinson, District Commander, Fort Douglas District, Fort Douglas, Utah, made an inspection of camp on Tuesday, February 21st. The General commented very highly on the condition of the camp.

## CCC ANNIVERSARY

On April 11th., the Sixth Anniversary of the CCC will be celebrated. Plans are now being made in every camp in the country for public open houses so that the general public can get a better understanding of the CCC and its work.

A tentative plan is being made at the present time for an open house in our camp. Our camp is one to be proud of and if you have anyone you would like to see become acquainted with your work and the way you live - invite them to come to our open-house. More information will be given out as plans formulate.

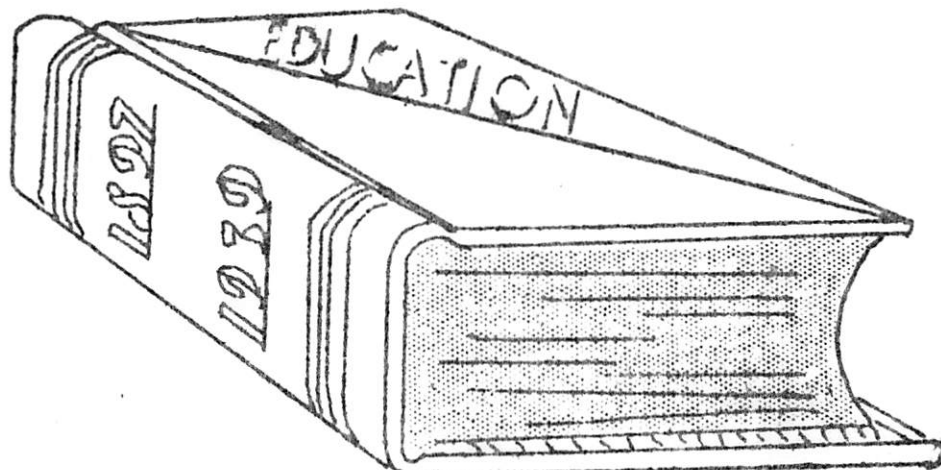

## ARKANSAS -- MISSOURI

The Arkansas and Missouri men will leave on or about March 25th. To date no official list has been made out of those leaving. Many are no longer eligible for further service - some are taking a transfer and the others are going home.

To those going--we who are remaining, wish to extend every wish for success and happiness.

"Ring", the camp mascot and pet, was found dead on the morning of March 16th., apparently having been poisoned.

### "ADIEU"

If you men leaving, have by following the daily schedule of camp life, built self-respect, developed you mind and body so that you can be better equipped to seize opportunities, it will be much easier for you to make your way in the world. If you have taken advantage of the opportunities offered in academic instruction -- vocational instruction -- job training, with supplementary reading, you will be prepared to better solve the problems that will confront you in the future.

To all you who are leaving I would like to take this means of bidding you a fond farewell, best of luck and happiness. If I can ever be of any help to any of you I will only be too happy to do so.

OLIN F. COONES DONATED HIS TIME AND ABILITY IN MAKING THE ENLARGEMENTS FOR THE COVER SHEET OF THIS PAPER. WE THANK OLIN FOR HIS SERVICES.

### EDUCATION BUILDING

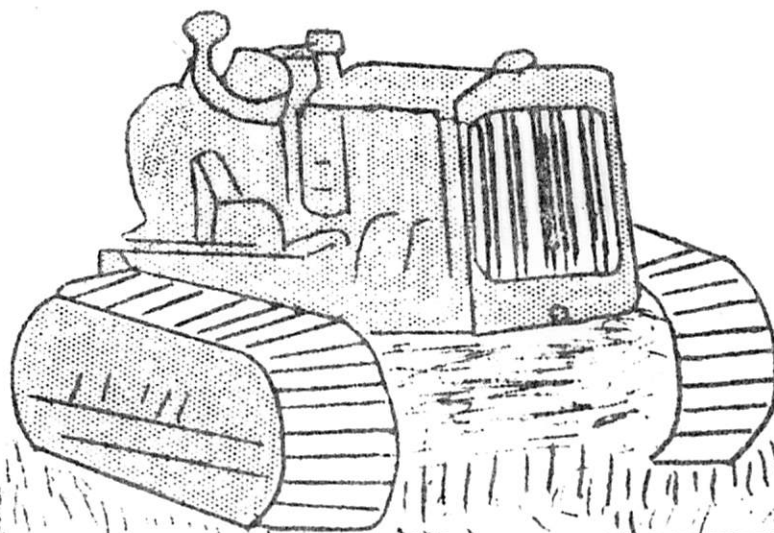

Plans are now being considered by the Officials at Fort Douglas for the remodeling of the Camp E education building. At the present time the set-up is inadequate. The tentative plan submitted calls for the installation of the Reading Room in the building with a screened-off library. A hall-way would divide part of the building with the E.A.'s office, A.E.A.'s quarters, class-rooms, etc. It is hoped that the building will be completed in time for the Camp Open-House, which will be held about April 11th.

### WRITING TABLES

Two new chromium writing tables equipped with a direct lighting system, and four new chromium chairs have been purchased and installed in the camp Library. These greatly needed additions add to the appearance and convenience of the Library.

### CERTIFICATES

Certificates will be awarded to qualified members before leaving.

BR-64

Another enrollment period has come to an end. To the boys who are leaving us; we hope that your period in camp has been a unique and enjoyable experience which you will never forget. Through the activities and work that you have participated in we trust you are leaving better equipped to solve your problems and find a more abundant life than you had when you entered.

With the fine co-operation we have received-- from you we have accomplished a great deal. Working with you has been a pleasure. With the work you have done and the friendships and contacts you have made, we hope you too feel you have accomplished something worthwhile.

The Bureau of Reclamation CCC personnel of Camp BR-64 join together to wish you enrollees who are going home a pleasant journey, success and every happiness.
